Subject: Heritage Management Plan Stage 2a for Stubbo Solar Project (SSD-10452)

Dear Mr. McKay,

I refer to your submission requesting approval of the Heritage Management Plan for Stage 2a (Version 3.4, 2 June 2023). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Heritage Management Plan:

- has been prepared in consultation with Heritage NSW and Aboriginal stakeholders;
- has been prepared by a suitably qualified and experienced person who has been endorsed by the Planning Secretary;
- has been reviewed by ACEN Australia and no issues have been raised with the Department; and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the Heritage Management Plan for Stage 2a (Version 3.4, 2 June 2023) under Condition 23, Schedule 3.

Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Katie Weekes on (02) 4927 3223.

Yours sincerely
