

# Stubbo Solar

Renewable Energy from ACEN

October 2023 Update

## Supporting our Community

Our team from PCL Construction have completed their "Volunteering training" as part of Wenonah Home Care's Meals on Wheels program.

If you are interested in joining Wenonah Staff or Volunteering, you'll find more information at [wenonahgulgong.com.au](http://wenonahgulgong.com.au)

For more information on Residential Care phone 02 6374 2222. Community Care phone 02 6374 2088.

Volunteering on a rotating roster, the team from PCL will be delivering fresh cooked, home style meals and desserts for those people who would like to remain living independently in their own homes.

Some of the team from PCL Construction volunteering with Meals on Wheels, through Wenonah Gulgong's Community Home Care service.

ACEN Australia was proud to be the Major sponsor of this year's Gulgong Polocrosse Carnival.

## Do you have a spare to share?

We are committed to ensuring we find the most appropriate accommodation solutions for our workforce.

To limit the use of short-stay and tourist accommodation in the region, we are looking to partner with local homeowners.

If you have a spare room, studio, granny flat, unit or house that you would consider renting to our Stubbo Solar project workers, please register with us at

[stspcommunity@pcl.com](mailto:stspcommunity@pcl.com)

Together, we are proud members of the Gulgong community and surrounds
