Dear Mr McKay,

I refer to your submission requesting approval of the Traffic Management Plan for Stage 2a of the Stubbo Solar Project. I also acknowledge your response to the Department's review comments and request for additional information.

I note the Traffic Management Plan:

- has been prepared in consultation with Transport for NSW and Mid-Western Regional Council; and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the Traffic Management Plan for Stage 2a (Revision E dated 7 July 2023) under Condition 11, Schedule 3 of the consent.

The Traffic Management Plan for Stage 2a must be submitted prior to the end of September 2023 and include additional information on Stage 2b OSOM movements associated with the project.

Please ensure that the approved Traffic Management Plan is placed on the project website at the earliest convenience.
