Where

Dunedoo Bowling Club
29-39 Cobbora Street
Dunedoo

UPC AC Renewables Australia is proposing to develop the Birriwa Solar Farm and Battery project across cleared grazing land between Gulgong and Dunedoo.

The Birriwa Solar Farm project is currently in the early stages of planning.

Drop by and meet the project team and find out more about this renewable energy project

*Please note that this event will follow NSW Government COVID-19 Safety Protocols.
