

Environmental Policy

ACEN Australia is committed to undertaking our business in an environmentally sensitive and forward thinking manner.

To achieve this, we will:

- Comply with environmental laws and regulations in all work locations as an absolute minimum
- Understand and manage potential environmental risks at all work locations
- Contribute to the overall health and resiliency of ecosystems in all work locations
- Participate in integrated approaches to land use planning
- Identify and implement opportunities for efficient energy and water usage
- Identify and implement opportunities for waste avoidance and minimisation
- Report annually to all stakeholders on our environmental activities
