Supporting our local community

We understand the importance of sharing in the benefits that our project can provide.

Under our Stubbo Solar Social Investment Program (SIP), we have supported not for profit organisations and events in Gulgong and surrounds.

Recently, we visited the Gulgong Community Fitness Centre, providing funding for equipment to this fantastic community gym.

Find out more information about our SIP on our website. Applications are always open.

Each year, we are proud to sponsor the Gulgong Henry Lawson Festival and look forward to another great event this year!
