Dear Ellena,

Heritage NSW has reviewed the Draft Secretary's Environmental Assessment Requirements (SEARs) for the proposed Aquila Wind Farm (SSD-67667971) (Dubbo Regional), with respect to Aboriginal Cultural Heritage (ACH). Heritage NSW is satisfied that the proposed SEARs are adequate to access any ACH sites or values associated with the proposal. Heritage NSW has no additional comments. If you require any further information please contact me directly.

Kind Regards
