

Stubbo Solar

Renewable Energy from ACEN

April 2025

Investing in Gulgong and supporting our volunteers

ACEN Australia's Stubbo Solar Social Investment Program (SIP) is our voluntary contribution to Gulgong and surrounding communities.

Funding is available to not-for profit organisations and activities that directly benefit and enhance the liveability and vibrancy of our local community. We have committed to investing \$200,000 in funding over the 2-year construction period of the project. Last year, we invested close to \$100,000 in the local community. Contact us for more information on how we can partner with your organisation.

We are proud to support the volunteers at the Gulgong Brigade Rural Fire Service (RFS).

The Brigade recently approached us for much needed equipment for the RFS trucks and we were more than happy to partner with the fantastic volunteers at the Gulgong Brigade.

NSW RFS volunteers are ready to respond to emergencies 24 hours a day, 7 days a week, all year round, attending a range of incidents from bush and grass fires to house and structure fires, road accidents and assisting at other events like floods, storms and searches.

For more information on how to become a volunteer for the RFS visit www.rfs.nsw.gov.au/volunteer

The Gulgong Rescue Squad is recruiting!

The squad is looking for men and women volunteers to join this vital emergency service.

Be part of a great team and learn invaluable skills:

- First aid ▪ Map reading & navigation ▪ Radio communications ▪ Land search techniques ▪ Rescue equipment operation ▪ Leadership ▪ Incident Management
- Driving emergency vehicles ▪ Road crash rescue ▪ Rope techniques ▪ General rescue & vertical rescue ▪ Working with aircraft safety ▪ Traffic management ▪ Community education and much more.

Under our Stubbo Solar SIP, ACEN Australia recently provided funding to the Gulgong Rescue Squad for a Mule Wheel Stretcher Transporter.
